Techdegree in Front End Development by Treehouse
Jan - Sept 2020

- Build real-world projects.
- Develop the skills professional developers use every day and complete 9 challenging projects.
- I built a portfolio of examples to showcase my talent to potential employers.

PROFILE

An enhanced knowledge in Media production acquired by the **Dublin institute of Design.**
Experienced in HTML, CSS and JavaScript.
Graduated in **Front-end development by Treehouse** (An American Online Bootcamp).
Transform mockups into real working websites.
Clean and simple layouts, with a nice touch of animations.
Less is more it's my motto.
Mobile-first approach.
I'm currently seeking an opportunity to start anew full-time, part-time or even internship in Front-End Development.

WORK EXPERIENCE

Front-End Developer - Freelancer
From January 2019 to Present – Dublin, Ireland
Portfolio Website
GitHub
Blog

Throughout this period from 2019 to Present I have been working as a Freelancer - Front-End Developer;
Creation of a Portfolio Website and Several other projects.
In college, I also worked on a corporate rebranding project.
The work was for a charity association, and involved rebranding the logo and designing and developing a new site layout.
