PROFILE

Last year I finished my 1 Year in HNC UX Design & Front-End Development at the Dublin Institute of Design. Before I did a 10 Weeks Course in Web Design at the same College.
I attended several courses on Udemy and Scrimba.
I have just finished the Tech Degree in Front End Development.
I just started the Nano Degree Program in Front End Development at Udacity that I plan to finish in 4 months.
I also doing a JS Bootcamp on Udemy and learn some more advance CSS especially animations.
I'm currently seeking an opportunity to start a new full-time, part-time or even internship in Front-End Development.
I have some Project on GitHub, Netlify and a **Portfolio Website** with selected Projects.
