PROFILE

Last year I finished my 1 Year in HNC UX Design & Front-End Development at the Dublin Institute of Design. Before I did a 10 Weeks Course in Web Design at the same College.
I attended several courses on Udemy and Scrimba.
I have just finished the Tech Degree in Front End Development.
I'm keep studying on the online learning community Skillshare, to improve my knowledge of JavaScript and learn some more advance CSS especially animations.
I'm currently seeking an opportunity to start a new full-time, part-time or even internship in Front-End Development.
I have some Project on GitHub, Netlify and a **Portfolio Website** with selected Projects.
